Ref No.: 23/065/IOM

Phnom Penh, 7th March 2023

Subject: Request for collaboration to host two events with relevant ministries and UN Migration Network to review and officially adopt the Global Compact for Safe, Orderly and Regular Migration National Implementation Plan.

Your Excellency,

The International Organization for Migration (IOM) presents its compliments to the Royal Government of Cambodia and the MNational Committee for Counter Trafficking (NCCT) for the close collaboration and support on the implementation of the Global Compact for Safe, Orderly and Regular Migration (GCM), and has the honor to request for collaboration to review the recently developed GCM National Implementation Plan for further approval and adoption by the Royal Government of Cambodia.

In adopting the GCM, the Royal Government of Cambodia made a commitment to fulfill the objectives set out in the Compact. Cambodia, as one of the eight Champion Country in the Asia and Pacific Region, developed the **GCM National Implementation Plan (2023-2025)** to address the three GCM priority objectives related to Data Management, Border Management and International Cooperation. To continue the good work and impressive progress in the recent years, IOM and UN Migration Network would like to invite the Royal Government of Cambodia to formally adopt the the GCM National Implementation Plan, so that an Action Plan can be established and implemented.

On behalf of IOM as the Coordinator and Secretariat of the UN Migration Network in Cambodia, I would like to request for collaboration to host a half-day face-to-face **technical meeting** with relevant ministries and UN Migration Network on **30th March 2023** to review the GCM National Implementation Plan. Following this, I would like to request collaboration to host an **inter-ministerial workshop** with key ministries on **5th April 2023** under the leadership of Samdech Krolahorm **Sar Kheng**, Deputy Prime Minister and Minister of Interior to officially adopt the GCM Implementation Plan.

I have enclosed the draft agendas for your reference. IOM will provide the logistical and technical arrangement to support the two events. Should you require any further information, please contact the IOM Government Liaison Officer, Mr. Phiev Khay, at 012 966 123 or kphiev@iom.int .

Please accept, Your Excellency, the assurance of my highest consideration.

Sincerely,

DUM Chanthida
